# SHARPER IMAGE

The year has come into focus with the Copper Kettle setting new standards and evoking fantastic memories of this year. DHS has attained its "Sharper Image" in honors, athletics, style and academics.

The "Sharper Image" seeks to be the best of all, focusing this year wonderously. Class, tradition, fun and maturity are all part of every page.

From the hippest of seniors to the lowliest freshman, all will thoroughly appreciate and enjoy this 65th volume of the Copper Kettle.

# Dressed to impress

The 1987-88 school year at Douglas High School saw many new and different styles in clothing. There was also the return of the skateboard fad.

Throughout the halls of Douglas High School different and unique styles were seen. These people were not trying to please nobody but themselves. Many Douglas High styles were unique indeed.

Dominating the Douglas campus was the popular stoned washed denim. Other popular fashions were 501 jeans, Reeboks, and the ever popular T shirt. Some of the popular T shirts worn during the school year were Corona, Hard Rock Cafe, and Spuds MacKenzie.

# What is a Senior?

Remember when we were younger we would look up at our older brothers and sisters who were in high school and admire them because we thought they were so old. We were so in a hurry to "grow up".

Becoming 8th graders, we thought we knew everything, thinking that life was just perfect.

Then we became freshmen. As freshmen we knew we still had a way to go, but who cared. We were just there for the ride. Sophomores, then we felt a bit more comfortable knowing that we were not at the bottom of the ladder.

As juniors, the anticipation accompanied us throughout the year in becoming the famous Senior.

Our senior year. This will probably be our most memorable year of high school. This was the year we lived our very last carefree year, and experienced the most fun and trouble. I am sure most would agree that our senior year was the best here at Douglas High School.

## A Senior is . . .

" . . . the head of the class, the top dog, the one and only, Mr. Know it All, the top star, el numero uno, a respected individual, a person to admire and of course a party animal." **Ruben Eribes**

" . . . a person that has gone to school for four years and has "15" credits." **Charlie Foppe**

" . . . what I have been for two years, ain't that right Ricky Muñoz?" **Richard Hernandez**

" . . . I don't know. What is a Senior?" **Ron Raulston**

" . . . someone who wants to be in the yearbook more than anybody else." **Eddie Enriquez**

" . . . a Freshman with 15 more credits." **David Leigh**

" . . . I don't know!" **Irma Cruz**

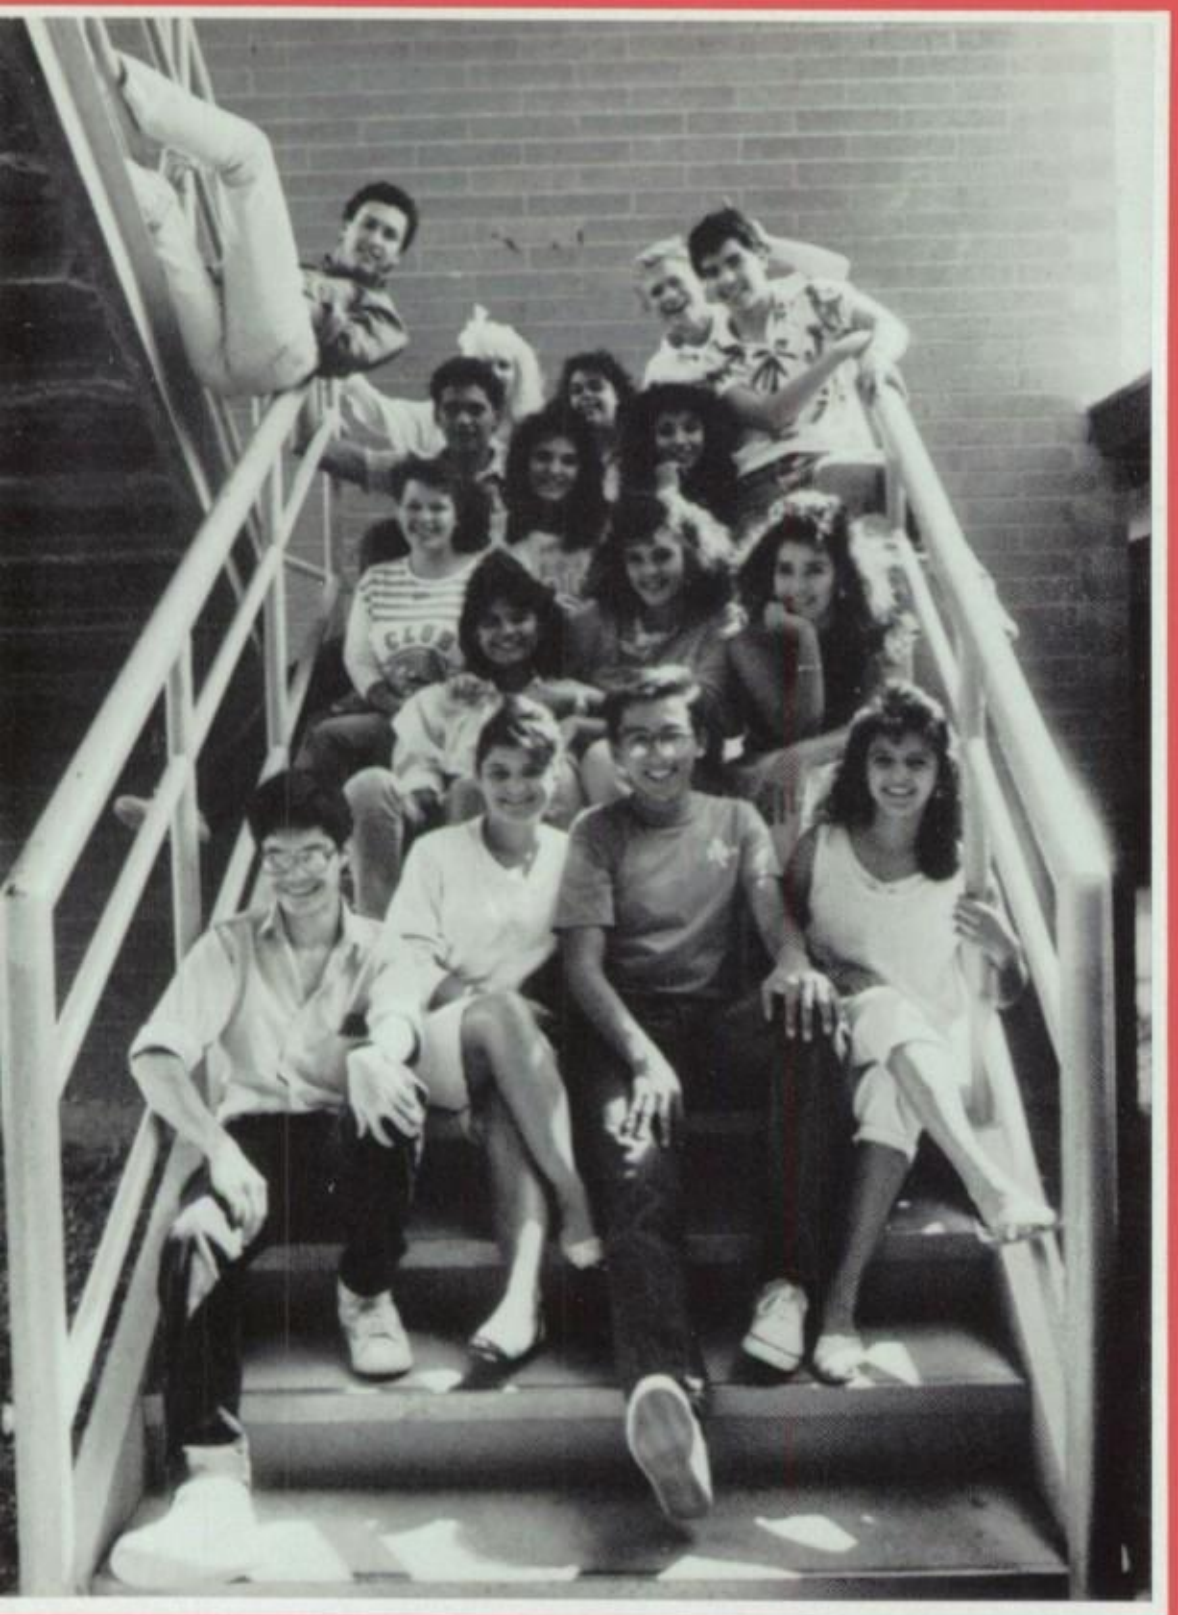
" . . . a Senior!" **Alfred Macha**

" . . . a twelfth grader." **Susana Ochoa**

" . . . ME!" **Bernie Cornejo**

" . . . a person who passed their junior year." **Sophia Moore**

" . . . A person who looks down on everyone else." **Rick Fernandez**



This was supposed to be a candid shot.

The final steps: 1988.

Possesors of the paper flower touch.

# a FAIRy tale

Once upon a time in a county far far away, there was a sleepy little town by the name of Douglas.

The monotony of Douglas was so bad that the only thing to do was to cruise the cobblestones and rent videos. The only excitement the community would obtain was the carnival that arrived to town once a year, and the yearly farmer's auction during harvest time.

One year, the carnival was late in arriving. When it finally did arrive, it did so on the day of the farmer's auction. Unfortunately, the place where the carnival was traditionally held was also the place where the farmer's auction was taking place.

None of the townspeople could bear losing the carnival, so the king decided to join the two events together. And so ever since then, it has been the traditional county fair.

# Where the fun is.

"Cruise Rebel!" This seemed to be a very popular statement among Douglas High School students this 1987-88 school year.

Tenth Street and G Avenue were also popular main drags for the cruisers. But, no matter where ones' preference for hanging out was, the action was always present.

Wherever ones' adventures might of taken them, at the end of a night out, there was no place for a better hangout than home sweet home.

Students enjoy a post-game rendezvous.

# N.H.S.

National Honor Society is a very important organization here at D.H.S. Though everybody wishes to become a member, not everybody can. You have to to be either a Junior or a Senior and have a cumulative grade point average of 1.85 on a 1.0 scale. You also have to have a percentage of the facalty's vote. Though not the easiest organization to be member of there are always those people that will do what it takes. It is a great honor and it takes a lot of hard work in order to be a member of National Honor Society, (N.H.S.) so if selected a member, you know that you have been doing something right. ICC and student government made the year full of fun and interesting

The two groups worked hard to achieve being recognized as one of the elite groups at DHS. The students involved with the two groups had their fair share of arguements, but when it came down to it, they got accomplished what they set out to do.

The students found out for themselves how the democratic system actually works.

Student Life at Douglas High School is more than just teachers, class and homework. It's a way of life. It's friends, parties, clubs, and all around fun!! Life here at Douglas High School is being in the halls, (usually in the fourth wing), being with friends, with your beloved girlfriend or boyfriend, which ever the case may be. It's even being all alone, daydreaming or thinking about how wonderful it is just to be here among all the wonderful student body. Student life consists of gossiping about the latest news you've heard, and adding just a little bit more in order to spice it up a little!! And if you're a freshman, it probably consists of rushing from class to class for fear of being late!! But student life goes way beyond that! It's more than just "CAMPUS LIFE," it's life off of campus too! Going to parties, cruising on Saturday nights, and hanging out with your friends all weekend long. It's even just a little bit of homework here and there, and even studying for a test every once in a while. All in all, student life is being around everybody, all of the time AND enjoying it!!

*Student life . . . , it's made up of everything.*

*I'm not as dumb as you look . . . CHILL!!*

*friends forever, what else could it possibly be.*

*. . . and this is where it all happens!!*

# We've got spirit . . .

D-Week celebrations have always been a tradition and this year was no exception. Although many of the sponsors and students directly involved with the celebrations find that D-Week can be exhausting, t those that sit back and enjoy find that it was one of the best and happiest moments at D.H.S.

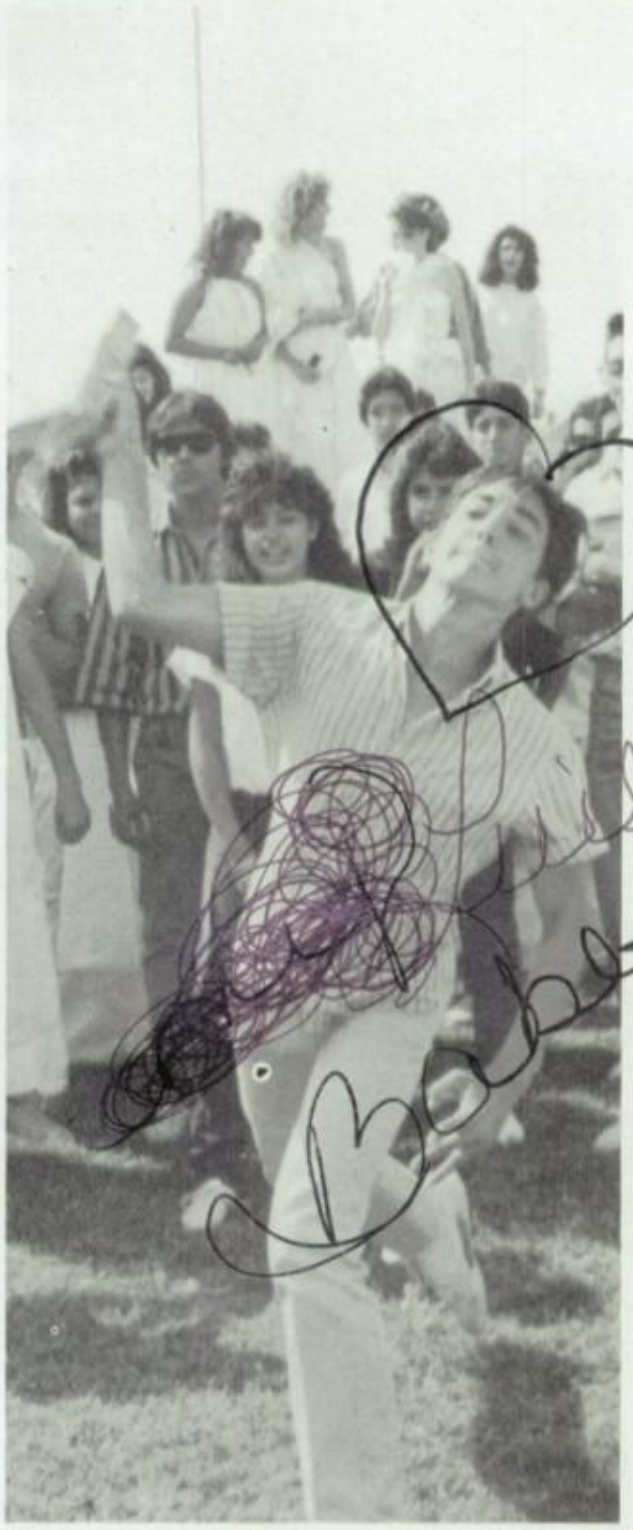
Freshman and 50's Day on Monday to kick things off, and the hop kept people bopping to 50's music, while the Sophomores had Toga Day with olympic games held on the front lawn. Juniors this year added a new twist to the fun by dressing up in gangster and other underworld figures in Underworld Day. Seniors, well Seniors had all the fun with a kickback and relax day, a day that pratically everyone participated in, Luau Day.

*Freshman adoption is a big hit during D-Week. Yolanda Pedrego takes her "son" on a leash.*

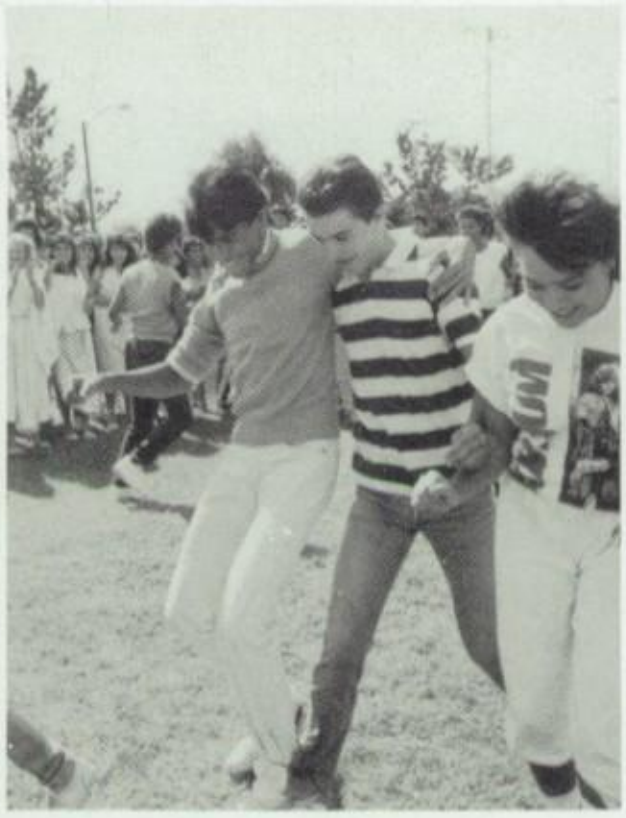
*D.H.S. Seniors and Juniors go underground.*

*"Smile, you're on candid camara!" By the way, aren't those my sheets?*

*Olympiad Andy Fragoso is trying to prove his strength during our olympic games.*



*"Pepi" and "Chivo" future godfathers of the east and west coast.*



*Sophomores trying to keep up the beat, but staying behind.*

*Sophia Moore, an example of a senior having a carefree day, is caught dancing her heart out.*

# "Go ahead . . .
## make my Bulldog day"

Anticipation was probably the best and most accurate word to describe D-week. For the freshmen, the highlight of their week was being adopted by a senior. This included carrying books for seniors, wearing silly hats and signs, and being humiliated for the week. However, the freshmen got even with the seniors by taking first place in the float competition. The winners of the floats, pep cup, and hall decorations were announced at the pep assembly. Saving the best for last, D-week concluded with the Bulldogs defeating the Rincon Rangers 14-6.

*Surprise! This year's winning float belongs to the freshmen class!*

*Juniors take time out from building their float to smile for the camera.*

*Justin McClatchy leads the junior class in spirit.*

*Freshman, Dean Haymore, enjoys dancing with his senior mommy, Julie Montgomery.*

*"Cheeeese!"*

*Michelle Irey shows her enthusiasm after hearing the senior class won the pep cup.*

# D-Day dedication

D-Day this year, was dedicated to Mr. Eugene "Boots" Deiss.

Mr. Deiss started teaching at the Douglas Jr. High in 1950. He was at Douglas High School from 1960-83. Mr. Deiss graduated from the University of Wisconsin-River Falls in 1950 getting his Bachelors Degree. In 1954, he received his Masters Degree from Northern Arizona University. He was science department chairman from 1962-83. Mr. Deiss created the high school geography program in 1960 and the earth science program in 1968. He taught general science from 1950-67 and earth science from 1969-83.

During the years Mr. Deiss served DHS he coached JV basketball from 1951-53 and JV football from 1954-55. Mr. Deiss was varsity golf coach from 1953-60 and 1973-78.

Mr. Deiss retired in 1983 after teaching and coaching for many great dedicated years.

# D-Day royalty

The 1987 D-Day royalty were Lisa Nutt, Queen and attendants Kim Gomez, and Monica Valenzuela. The royalty were chosen by the varsity football team. The underclass royalty were Junior, Lori Huddleston; Sophomore, DeeDee Aguilar, and Freshman, Ana Grijalva. These girls were selected by their own classmates.

Thursday night the girls rode in the annual D-Day parade and were introduced at the pep rally after the parade. During half time at the game on Friday, last years' D-Day queen, Darcy Mason, presented each girl with a bouquet of red roses. The roses were provided by D-Club. The annual D-Day dance followed the game.

*Freshman princess, Ana Grijalva and escort Rene Gomez*

# "A night in heaven"

December 18, 1987 was truly "A Night in Heaven" for those who attended the Coronation Ball. Black, pink, and white balloons and streamers showered the Cochise College ballroom. Although the night brought us rain and cold weather, it didn't stop the excitement that filled the air inside the dance. Couples danced to the music Joey Borane played while also watching videos on T.V. screens he provided.

In addition to the dance and all it's beautiful decorations, Student Council also provided a raffle to win a rose which was given out every hour. Halfway through the dance, the floor was cleared and the King, Mark Garcia, and Queen, Julie Montgomery, were announced. They danced in the spotlight to the theme song "In My Dreams" by REO Speedwagon. All too soon the last song was played and all that lingered were the memories of "A Night in Heaven."

*Who? Us? We weren't doing anything at all!*

*Aren't we cute???*

*Ruben and Molly standing cheek to cheek.*

*T'was the night to be dancing.*

*"We're here!" Lorraine and Oscar wait for pictures.*

*Underclass royalty are Justin St. John and Patty Verdugo, Vanessa Vargas and Armando Maza, and Lupita Martinez and Brian Bostick.*

*Attendants David Aguilar and Lorraine Young, King and Queen Julie Montgomery and Mark Garcia, Attendants Michelle Leyva and Robby Bridges, and Crown bearers Regina Johnston and Adrian Carrillo.*

# D.H.S. at its best

# Blazing Guns at Roaring Gulch

The Drama Club's fall production this year was Blazing Guns at Roaring Gulch. This was the first time the Drama Club has performed a melodrama. Melodramas include having "Boo," "Hiss," "Sigh," and "Applause" signs, a large amount of overacting and emotion, and a lot of audience participation.

Nine members of the club were selected as the plays characters. They were: Ty Gray, Shannon Overman, Sophia Moore, Michael Saavedra, Juan Anguiano, Elizabeth Hoyos, Miguel Anguiano, Nicchia Dainty and Joanna Sullivan. Nicchia Dainty was student director and Nan Ames directed.

*The bad guy, Snipe Vermin, giving everyone his cold stare.*

# Seniors Confess

What was your most embarrassing moment at D.H.S.?

"It happened my freshman year. I went into a class room and sat there for almost the whole period. The teacher then noticed me and asked who I was. It was then that I realized that I had been in the wrong class all this time." **Annette Gordon**

"It was my Senior year in English Lit. I was leaning back and stretching when I discovered that I had left the price tag on my new shirt. Annette saw too, and decided to tell the whole class." **Monica Valenzuela**

"Of all years, it happened my freshman year. I was sitting in the band room the second day of school when all of a sudden I was sitting on the floor turning 6 shades of red. I hadn't realized that I had been sitting in a broken chair. I knew then that I would be able to handle anything that came my way in the next four years." **Yolanda Pedrego**

"My most embarrassing moment was during my Jr. year. I thought I was going to be late for a chemistry test, so I started running. When I tried to stop, I slipped and fell in front of a lot of seniors. It was even worse when I stood up and realized that my skirt was torn!" **Gaby Villaescusa**

"After having four eggs with catchup for breakfast, my stomach resented the food and decided to let out an obnoxious loud air substance into the air during moment of silence in first period. In other words I burped!" **Ruben Eribes**

"It was probably when I had my shorts pulled down in front of the girl's P.E. class my soph. year." **Jesus Lozania**

"Making an obscene gesture in front of Richard's mom, not knowing who she was." **Eddie Enriquez**

"I was outside of the science class on the grass when the bell rang. I tried to hurry up and get inside of the class that when I stepped onto the sidewalk I fell flat on my face." **Mario Quiñonez**

"I was at a wrestling match and I was going up the bleachers to talk to Lorraine, I decked it (fell), I was so embarrassed that I had to laugh too.' **Gene Arvizu**

"One of the few times that it snowed in Douglas, I was running after Lisa Nutt when I slid and fell right on my butt. When I got up, my pants were all wet from the snow, except that it looked like something else had happened." **Lorraine Young**

"My Jr. year while I was selling sodas at a basketball game, I got hit by the basketball and it made me drop some of the sodas." **David Aguilar**

"My most embarrassing moment was during my JV Football season. I spiked the ball after I had made my first touchdown of the season and they gave the whole team a five yard penalty . . . Or the time that I had just taken a shower and was walking across the little room between locker rooms in my bikini underwear and the door to the Gym was opened and all the girls at volley practice saw me and couldn't stop laughing." **Bernie Cornejo**

"My most embarrassing moment at D.H.S was during football season. It was right after practice while I was changing to go home when two girls from a different school went in to the locker room to see the trainer and I was standing there in my undies with big red hearts and teddy bears on them. I acted as if though I didn't care, but I was really embarrassed." **Ronnie Ralston**

"I was walking down the hall with my friends and as a joke I flipped Lisa Nutt off just as Mr. Foster walked by and he thought I flipped him off." **Suzette Escobar**

"When I was a freshman, some senior guy told me I dropped my book and I didn't believe him cuz I thought he was teasing me, when I got to my class I found out I really did drop my book." **Lisa Castro**

"My fresh yr. while walking down the main hall with my purse upside down. I heard jingling noises, but thought nothing of it, some guy told me I dropped something so I looked back and found all my change scattered down the main hall." **Kim Gomez**

Senior English . . . exciting!!

# Second step

The second step in high school is "sophomoredom", where this year the class of '90 has fulfilled the requirements needed for a successful and, most important, a passing year. The people pictured on the next few pages have had the wisdom and credits to get this far in high school. This class has succeeded, is succeeding, and will continue to succeed in everything that it does.

# Keeping it together

Many people thought the job of office staff workers was easy. Any or, more than likely, all of these ladies would have told you different. "Keeping it together" describes almost exactly what this group of women did. Without these hard working ladies, the rest of the D.H.S. faculty and students would really have been in a lot of trouble!

*"Angie, did you hear about . . . ?"*

*The office staff consists of computer operators, Rosalie Valdez and Connie Lopez, and secretaries, Angie Rivas and Ida Pedrego.*

*Our school nurse, Yvette Rehurek, takes time out from sending kids home to smile for us.*

*Bookstore student worker, Annette Gordon, and manager Hilda Arciniega.*

# Full of DHS pride

Featured here are the P.E. dept., business dept., and a new comer to DHS, the 1987 student business teacher. Most of these teachers were involved in events other than just teaching, such as coaching and sponsoring clubs. Being involved in these activities requires not only a lot of personal time and energy, but also a whole lot of patients and most of all a lot of DHS pride.

*Edith Mendoza working hard on the computers.*

*Mike Nava, Ken Cormier (seated), Don Woods, Lourdes Lievanos, and Philip Hirales make up the business department.*

*Student teaching in the business department is this year's D.H.S. new comer, Rosa Bojorquez.*

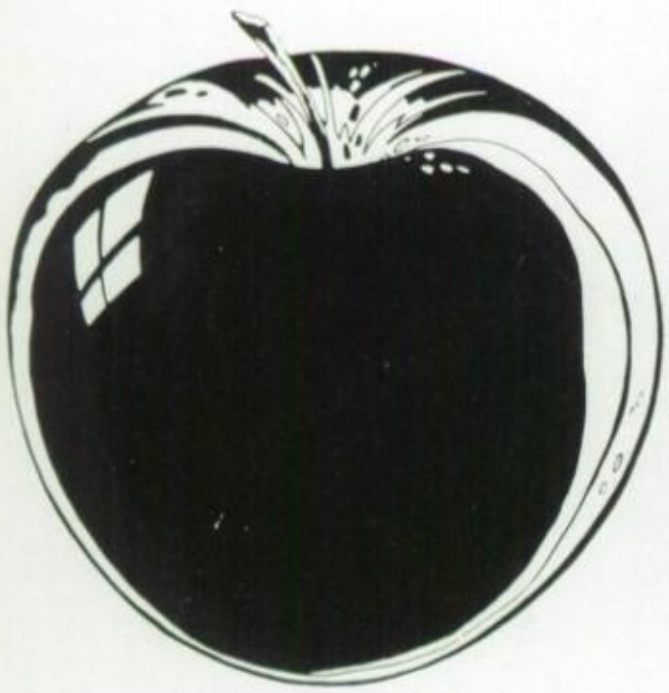
*The P.E. department consists of Karen Galindo, Karla McManus (bottom), Ron Ellsworth, and Vicente Cordona.*

# Striving towards success

Being in band takes skill, talent and hard work. All DHS members strive to attain new heights of musical performance. Practice is very important in learning Spanish or French. Practice makes perfect and that's what students struggle to reach. The students in Adaptive Ed. forget their disabilities and focus on learning. That takes hard work, which is the key to success.

*Mr. Mendez (Spanish), Mr. Hurtado (Spanish), Mr. Morris (Band), Mr. Garino (Art), Mrs. Davis (Spanish), Mr. Morales (Spanish), Mrs. Foster (French)*

*Back row: Mr. Sturgeon, Mr. Campas Front row: Ms. De Boer, Ms. Ayrom*



*What are we supposed to be doing?*

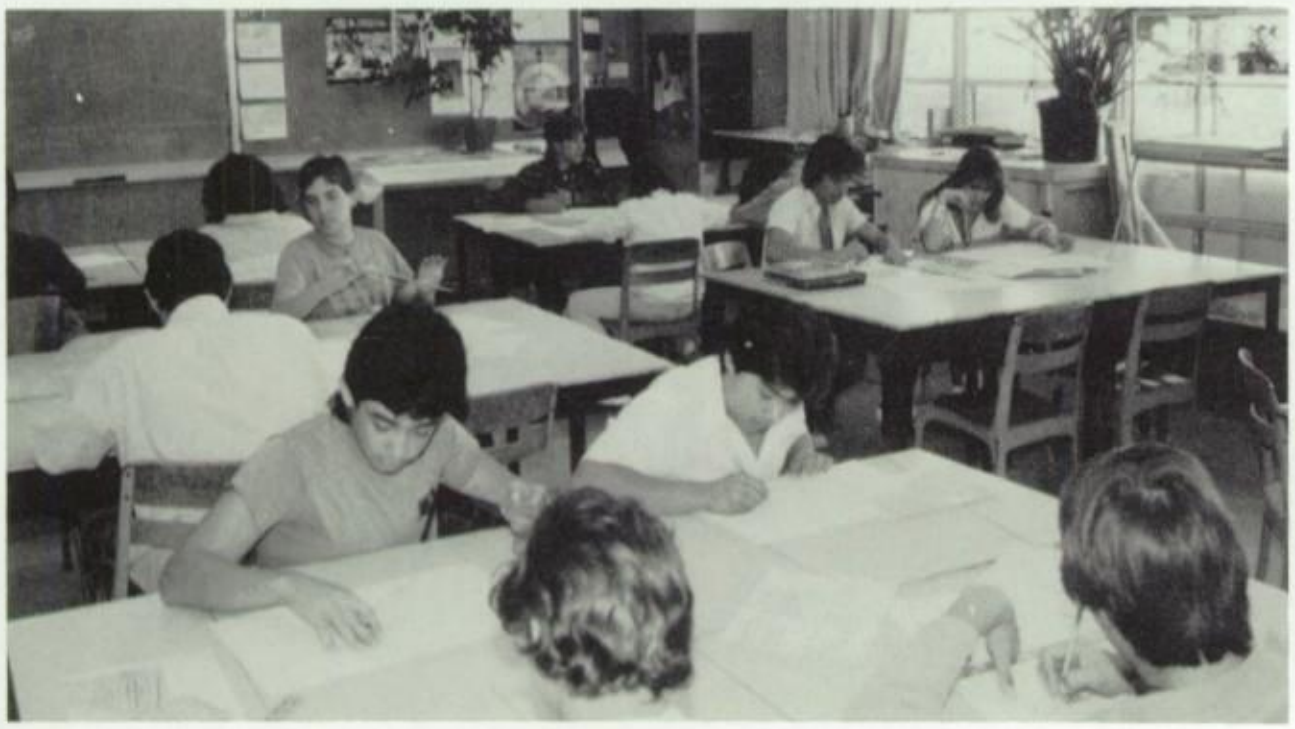
*Don't laugh it's not funny.*

# Bringing out the best

Choir, shop and home ec. teachers work hard to develop student abilities. Throughout the year they strive to teach students to value their abilities and transform them into talent. We all have the ability to create and apply ourselves. There are those who build and shape material items with skill and there are those who mold their abilities toward practical uses. These people are choir, home ec. and shop students.

*Mr. Nicolaus (Drafting), Mr. Gordan (Woods), Mr. Porter (Printing), Mr. Kleck (Metals), missing Mr. Herbert (Auto), Mr. Morgan (Ag.)*

*Mrs. Riley (Home Ec.), Ms. Seiler (Choir)*



*Working hard or hardly working.*

# Striving to give . . .

Striving to give their very best is exactly what the Reading, Social Studies and English teachers kept in mind this 1987-88 school year.

All three departments offered a variety of classes. A new addition to the Reading department was Vocational Reading. Students improved their reading skills through the use of computers.

*Social Studies Department; Row 1: J Huddleston, F. Contapay, M. Nava Row 2: T. McIntyre, D. Callaghan, T. Brown*

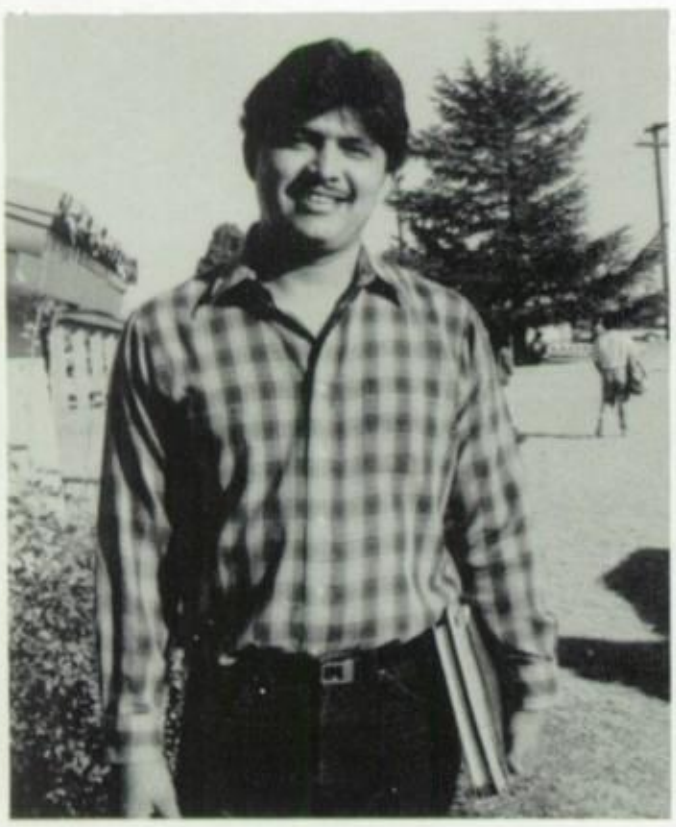
*Reading Teacher G. Rojas*



*Reading Department: R. Kluever, S. Molina, J. St. John, S. Mc Cleve*

# their very best!

The Science and Math teachers at DHS helped students master problems and skills necessary for further achievements in these areas of study.

Whether it was dissecting frogs or figuring out equations, DHS math and science teachers gave their very best.

*Tina Kinnebrew looks through a microscope.*

# Helping hand

Teachers, principals, and counselors are all we think about when we think about school, but there are other people who without their help, school would not be the same. Some of these people are the teachers' aides and the librarians.

This year a new librarian was hired in place of Miss Virginia Reed, who retired last year. Ms. Esther Rodriguez is the new librarian. Ms. Rodriguez did a lot of re-arranging and ordering for the DHS library this year.

This year DHS was very luck to have Mrs. Luna and Mrs. Rivera as teachers' aides. Their help is greatly appreciated by the teachers that they work with.

Thanks for all your dedication!

*Ms. Escarcega is helping at the card catalog area.*

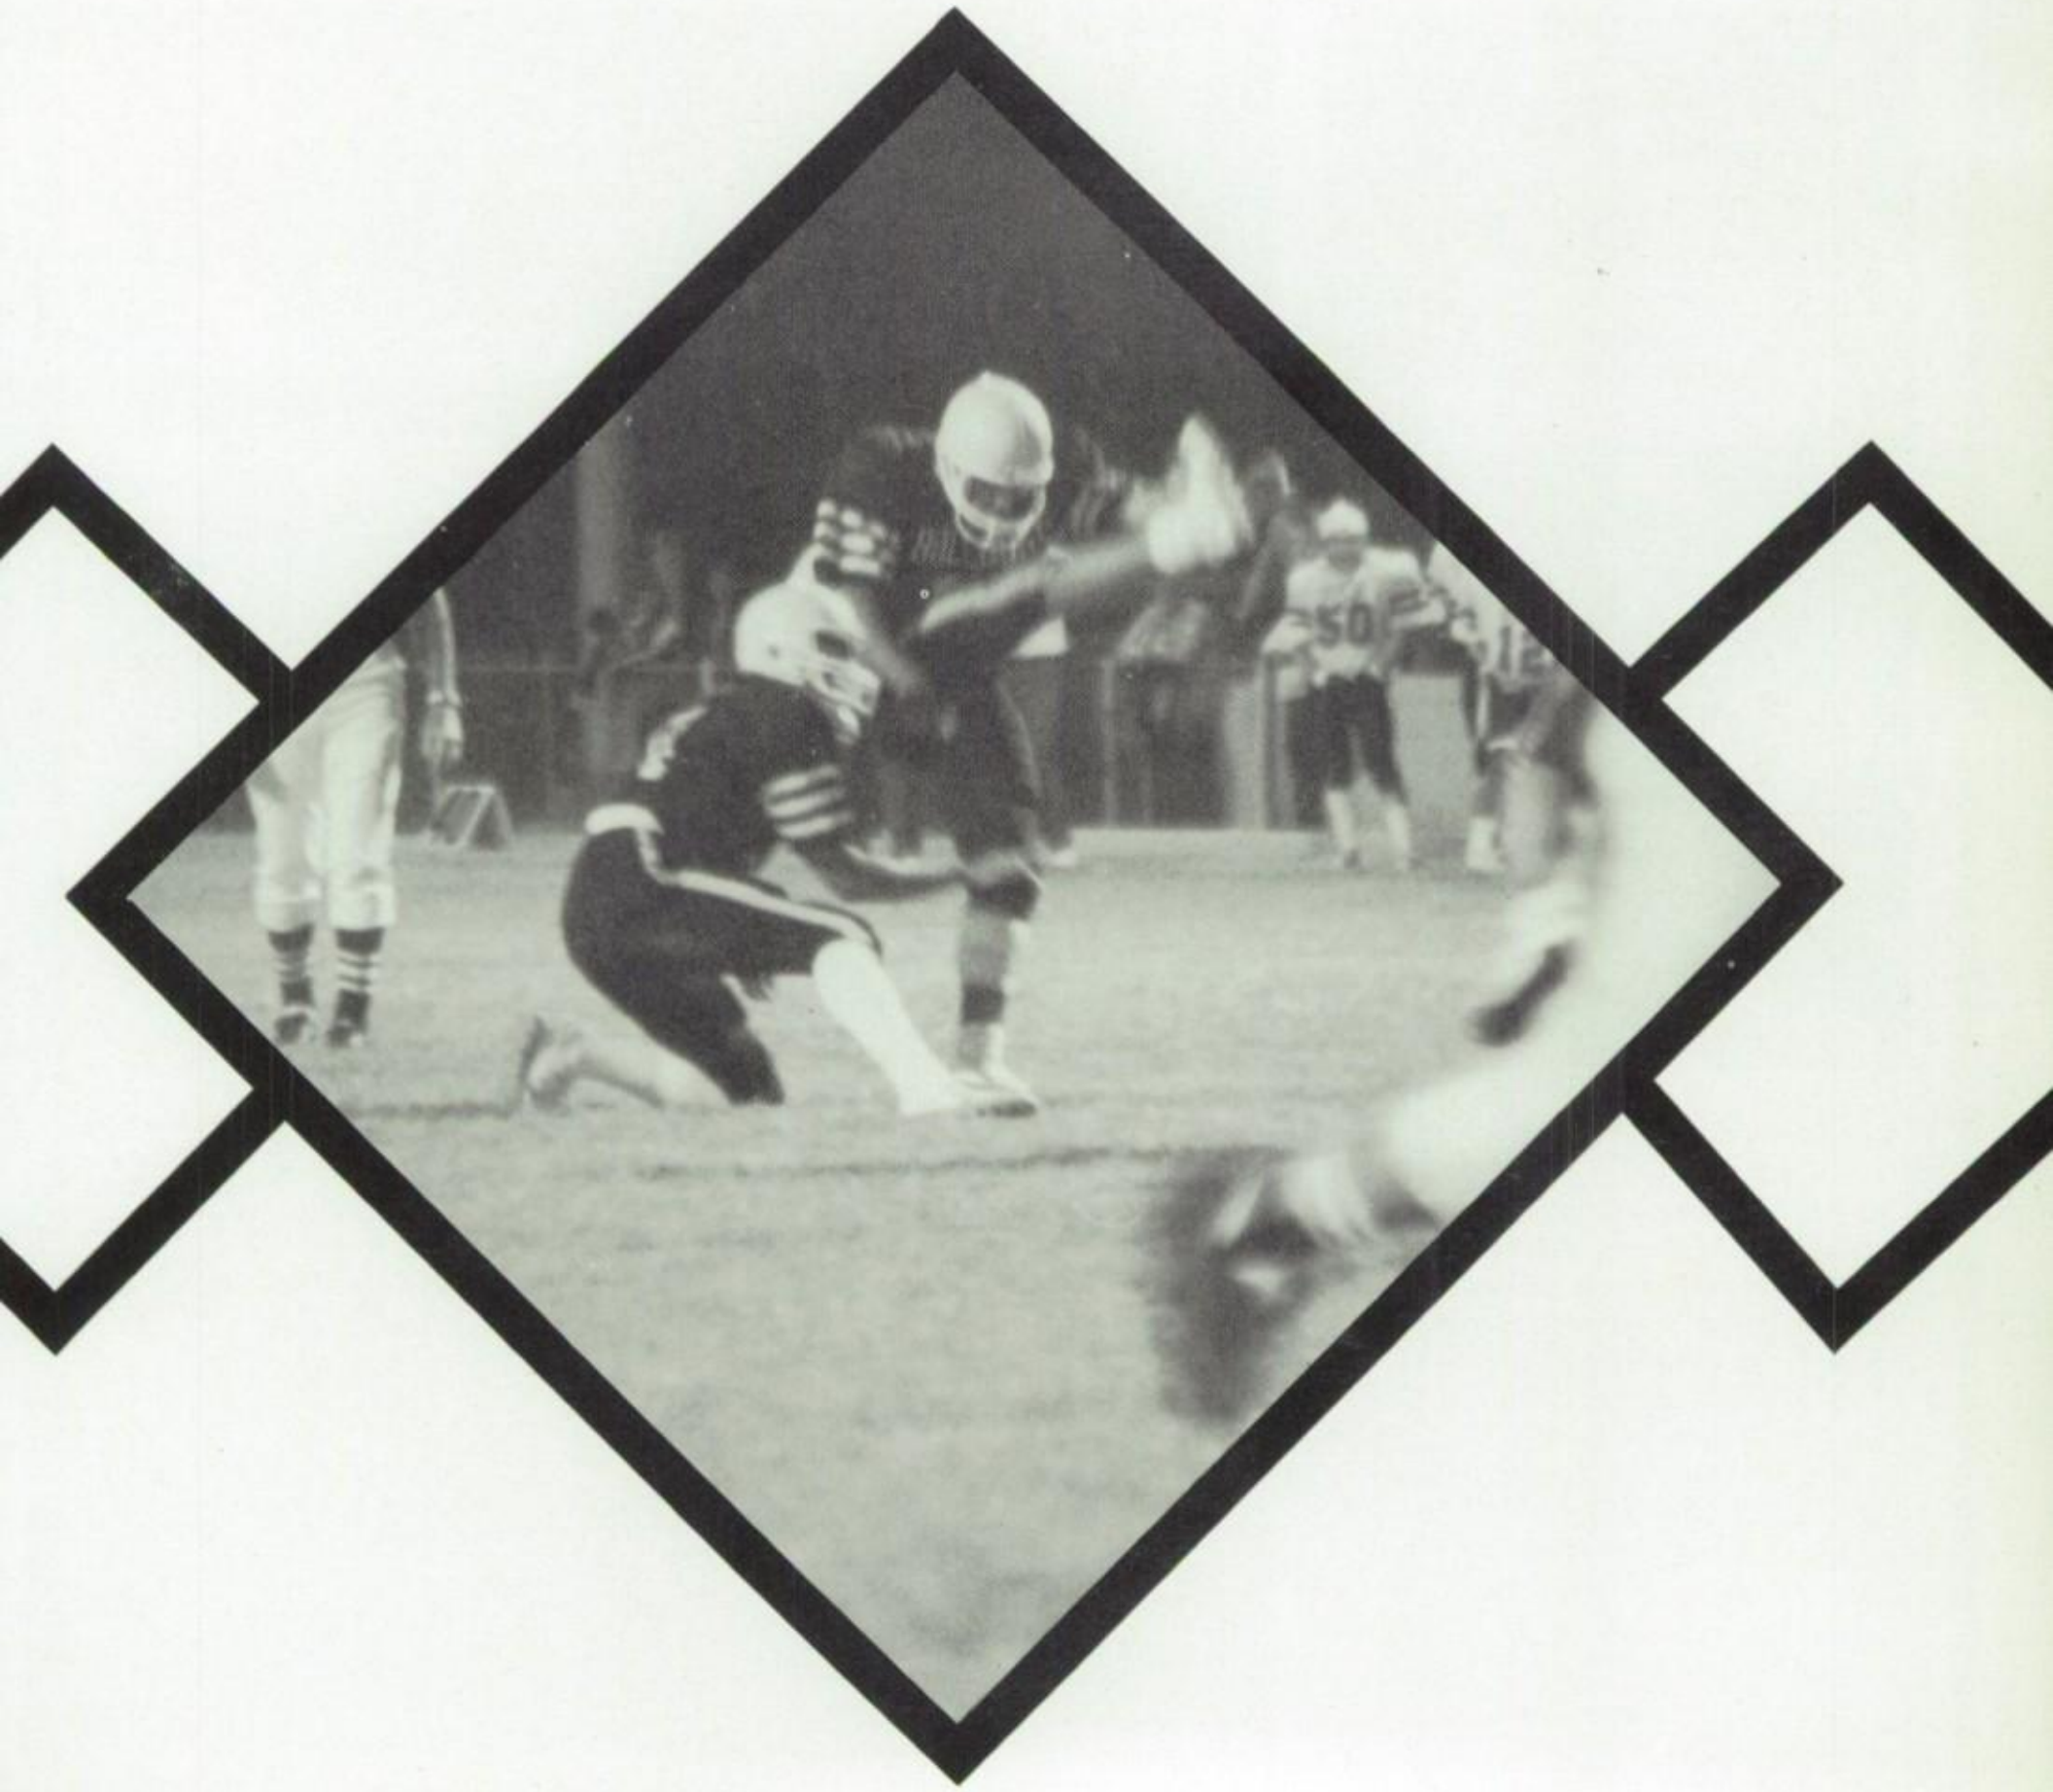
# Sports



# Football frenzy!

Respect was the main objective of the 1987-88 Bulldog football team. Beating Flowing Wells, Bisbee, Marana, and our long time rivals Nogales were their team goals established early on in the season.

When asked about team performance, Head Coach Dick Keith commented on the expectations he had of this year's Senior players. All contributed greatly to the team, but of them, Richard Paun, Peter Van Bogart, and Johnny Bess were given special recognition for their exceptional performance.

Among the under classmen, Coach Keith also commented that David Rose, Tim Wilkinson, Richie Martinez, and Mike Schmidt gave significant amounts of talent to the team. Because of their experience on the Varsity level, great things will be expected of them next year as returning lettermen.

# Striving to win!

This years' Girls Cross Country team was great. The girls had a winning season. All the runners were outstanding. The most outstanding runner was Renee Sandoval. Renee was the Southern Division Champion.

"This was a season of hills, weights, wins, and intervals," stated Coach David Bond. The girls had a lot of motivation and endurance which is needed to be great in cross country. The girls overall record was 8-3.

Congratulations girls on having a successful running season.

# Running with pride

Cross Country takes a lot of work and practice. The 1987 Douglas High School cross country team had several good runners on the team.

The team practiced long and hard; which in the end paid off. The boys ran up to three miles while the girls ran up to two miles.

Some of the outstanding runners on the team included Melvin Washington and Eddie Enriquez.

Under the coaching of David Bond, the 1987 Cross Country team proved to "run with pride".

Congratulations Coach Bond and team on a winning season.

# Swinging with style!

Hard practice and enthusiasm motivated this years' golf team. Even though their record ended up as 4-6, they were a strong force to be reckoned with in the division.

The top player throughout the season was Ruben Robles. He showed consistency and poise in his strokes. Freshman Paul Thompson and Junior David Romero added depth to the teams' performance. The team placed 4th in a tournament considering that they played against tough Division I schools. As the season progressed, the Bulldogs improved tremendously.

Coach Jim Halliday expects next years team to be a very competitive one.

*The team huddles up to receive last minute instructions from Coach Halliday.*

# Lady dawgs attack at net.

The Lady Bulldogs has their share of ups and downs this year. The girls pulled together and showed teamwork every time they competed. They inspired the student body by presenting sportsmanship and their strong drive to win. Whether win or loss, they were all winners.

*The girls are on their toes when it comes to getting that ball back over the net.*

# Go for the pin!

The Douglas Bulldogs wrestlers did very well this year. They had some tough matches against some of the most intimidating teams in the conference and they managed to hold their own and do very well. Some of the ups and downs of this last year was the defeat against Desert View, a team that is known to be tough to beat, the Jaguars scored very high against the Bulldogs and they also managed to give them the worst defeat since '78, but, the Bulldogs turned around and beat the Palo Verde Titans with a score of 63-12.

# Lady bulldogs make a hit!

The 1988 Lady Bulldogs had a fun, exciting and successful softball season. Both JV and Varsity teams set goals of determination and hard work, which together proved to be worth it. Varsity coach, Vicente Cardona set high goals for the girls also, and accomplished them. Good work Lady bulldogs; you made a hit!

Being part of the DHS track team was not an easy task. There were lots of competition and only the very best made it to the top. Even though it took a lot of hard work and dedication, it was also a lot of fun. Events the lady bulldogs participated in include: hurdles, relays, shotput, discus, longjump, sprints and long distance running. Under the direction of Coach Karen Galindo, the 1988 Girls' track team proved to be a winning success.

# A coach is . . .

"A coach to me is someone who cares about you and teaches you all he knows and helps you not just in the sport your in, but in everything you do." **Gene Acedo**

"A coach means a lot to me, he's like a father to you, he cares and helps you. If there was no coaches you wouldn't be any good in the sport." **Oscar Aguilar**

"A coach can mean a lot of different things. You can see your coach as just a coach when he's on the job coaching you, but if he's not coaching he can mean a lot more than just a coach, he is there when you need some kind of help or advice on any of your personal problems." **Johnny Bess**

"A coach to me can sometimes be a friend or your worst nightmare depending on the situation you're in. But overall a coach is some one who cares about his players." **Rene Daniel**

"A coach shows you what you did wrong and shows you how to do it correctly. They're the ones who are always positiv about your wins and loses." **Ana Durazo**

"A coach can be just someone who will tell you what to do and how to do it. But a coach can also be a friend who cares about his players and has faith in them." **Ruth Heaton**

"A coach is someone who is there to correct and improve you. He/she is a person who truly cares about your future in a particular sport." **Annette Gordon**

"A coach is a father, brother, and friend all put into one person who is willing to spend a lot of time with his players to make them successful in the sport and in life." **Oscar Valenzuela**

"A coach is a leader, a father, and sometimes a friend all rolled into one. A coach is a positive role model for his players and deserves the respect of all people." **Victor Valenzuela**

# Yearbook staff focuses in

The 1987-88 Douglas High School yearbook staff worked very hard to produce the 65th edition of the Cooper Kettle. The staff spent the first six weeks of class learning the concepts needed to produce a yearbook. During this time, the staff also made major decisions such as theme, cover, and colored pages.

With the training received, creativity, imagination and teamwork, the yearbook staff produced their book themed "Sharper Image".

Under the supervision of advisor Lourdes Lievanos, the annual staff produced a book which definitely came into focus of "Sharper Images" at DHS this 1987-88 school year.

Keep track of those picas, Sandra!

# Border Bulldog–pride of D.H.S.

The Print Club is one of the many clubs here at D.H.S. In order to become a member, four semesters of printing class are needed. The printing club does most, if not all of the printing needed by all schools in this district. Being a member of the print club is more than just another class- its having fun and learning a skill that can prove useful.

## School Day Memories

As we reach out our hands the diploma we grasp, while we think of the memories of the years in the past.

Tears fill our eyes because its all gone, we're starting a new life, we have to move on.

We hope friends will keep in touch as the years pass us by, although it hurts inside we'll try not to cry.

We think of kindergarden and our first day, now we've reached the end we are going away.

How do you say good-bye to friends who mean so much? Will there be time to sincerely keep in touch?

You'll always have the memories of your school years from day one.

Don't think of school as ending . . . think a new life has begun!

. . . Remembering the Past

We started out shy and scared, taking things just one day at a time, hoping somewhere along the line just to fit in. Finally, a friendly face . . . we'd all found each other! All at once High School made sense. They called us, "Seaweeds" and we couldn't have been prouder. We lived each day like it [illegible]ld last forever, not knowing we'd have to say good-bye to some friends along the way. Friendship [illegible]. second priority. It seems we'd found "Love" and that was more important. Now we're all together [illegible]. We've realized good friends are hard to find. Now, we live each day like it's our last, cherishing every moment, always

WHEN WE GO!

We are looking forward to a day, the day to come in the month of May. Now graduation is so near, we're sure excited, yet we fear. When we go, we're sure we'll miss, the friends we've known and school time bliss. We'll have great memories of the parties at the dam, we'll laugh at the times we could not walk, talk, or stand. We'll remember our dear ol' pal spuds, and all those Saturday nights we spent dancing at the Pub. But all in all we learned from each other, and found out, as our friendship grew, what we ment to one another. As our diploma, we rush to get, the work we've done, we won't forget. It is not the end, our future will just begin. And if by chance, we're struck with luck. Just remember, we'll all meet AGAIN!!

EXECUTIVE DIRECTOR
DOUGLAS CHAMBER OF COMMERCE

Even though it may have been touch and go at times, you made it! Your high school days are behind you now — a collection of fine memories of people, places & fun. But don't despair. Take a look at what lies ahead.

New challenges. Exciting adventures. And more fun! So, keep your chin up. Your nose to the grindstone. And go for the gusto!

Life is what you make it, so make it the best. And remember, all your friends at Valley Bank wish you all good things in your future.

Happy Graduation!

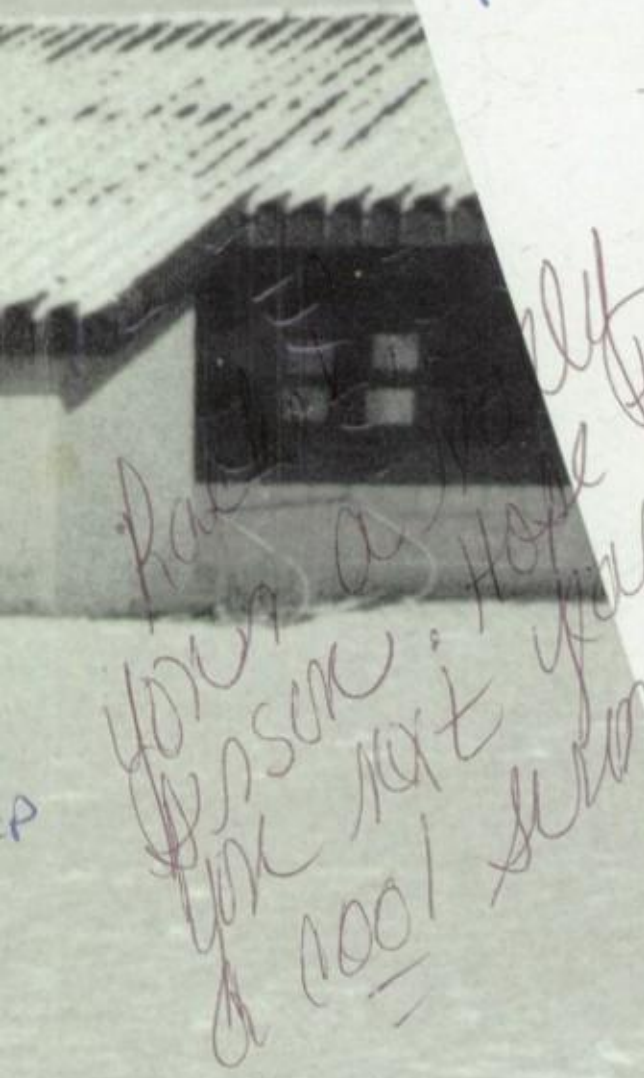
It's been a pleasure writing you. Take Care & Good Luck in everything!
Thanx for being such a good friend!
Love you,
Claudia M.

To: Rachel
Very nice & cool girl I met this year. Take care & write me back. Love, Sonia

Rachel
It was nice meeting you + having you for P.E/Health
take care! No more room.



We hope that you have enjoyed the 1987-88 Copper Kettle and that it will continue to bring back fond memories of this past school year. Congratulations to all in the class of '88. You set a great example of a Sharper Image. The year ended much better than expected or hoped as the mighty black and gold loomed largely over whomever challenged. Congratulations also to the classes of '89, '90, and '91, who helped make this past school year one to remember. Many things happened and many people changed thus coming into focus during 1987-88: the year of the Sharper Image.

# Images frozen sharp

# Colophron

**Sharper Image,** Volume 65 of the Douglas High Copper Kettle was printed by Herff Jones Yearbooks, Logan, Utah. The book has a 7 ¾ x 10 ½ trim size with 192 pages. Signature 1 was printed on Eurogloss 100 lb deluxe stock. Signature 2 was printed on Colortext white paper. The remainder of the book was printed on Bordeaux 80 lb paper. The cover is in Black with a Hologram laser design with rich gold and black applied colors. This special embossed cover included a **Caracul** grain pattern. The Bulldog was designed by the Douglas High School Art Department.

Copy and Folios were printed in 10 pt Souvenir light. Captions were printed in 8 pt souvenir light italic with bold emphasis and headlines were in 42 pt souvenir light. Subheads were in 24 pt souvenir light, while division page headlines, endsheet headlines, and the cover headline were in Tiffany Heavy.

Layouts were designed according to the three column method.

The ***Copper Kettle*** staff would like to extend special thanks to: Walt Snover, Herff Jones Representative, Marty Dess Photography, Foster's Fast Photo, Mr. Mike Garino, and Mr. Bob Porter for supplies, photographic services, artwork, advice and support.
